EXPLANATORY STATEMENT

As required by Section 102 of the Companies Act, 2013 (the “Act”), and the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirement) Regulation, 2015 (the “SEBI LODR Regulations”) the following Explanatory Statement sets out all material acts relating to the business mentioned under Item No. 03 and 4 of Special Business of the accompanying Notice dated 05-09-2026

ITEM NO. 3 SHIFTING OF THE REGISTERED OFFICE OF THE COMPANY FROM THE STATE OF MAHARASTRA TO THE STATE OF UTTARAKHAND AND CONSEQUENT ALTERATION OF THE MEMORANDUM OF ASSOCIATION

The Board of Directors proposes to shift the Registered Office of the Company from the State of **Maharashtra ROC Mumbai** to the State of **Uttarakhand**.

The proposed shifting is being undertaken for **such as administrative convenience, proximity to principal business operations, availability of infrastructure, business expansion, operational efficiency, cost effectiveness, etc.**

The proposed shifting of the Registered Office from one State to another requires alteration of the Registered Office Clause of the Memorandum of Association of the Company and approval of the Members by way of a **Special Resolution** pursuant to Section 13 of the Companies Act, 2013.

Further, in accordance with **Section 13 of the Companies Act, 2013 read with Rule 30 of the Companies (Incorporation) Rules, 2014**, the Company is required to obtain approval of the **Regional Director Mumbai, Western Region Directorate I** for shifting its Registered Office from the State of Maharashtra to the State of Uttarakhand and comply with the applicable procedural requirements.

The Board recommends the Special Resolution set out at Item No. for approval of the Members.

None of the Directors, Key Managerial Personnel of the Company or their respective relatives is concerned or interested, financially or otherwise, in the said resolution, except to the extent of their respective shareholding, if any, in the Company.

ITEM NO. 04 APPOINTMENT OF SECRETARIAL AUDITOR FOR ONE TERM OF FOUR YEARS FOR THE FINANCIAL YEAR 2026-27 TO 2029-30.

In terms of Section 204 of the Companies Act, 2013, every listed company and every other prescribed class of companies, is required to appoint a Secretarial Auditor to conduct the Secretarial Audit for the company. The Secretarial Audit Report is required to be annexed to the Board's Report in terms of the said Section.

The Board of Directors, after considering the provisions of Section 204 of the Companies Act, 2013, and the rules made thereunder read with Regulation 24A of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, and the regulations made thereunder upon recommendation received from the Audit Committee to appoint M/s Parul Aggarwal & Associates, Practicing Company Secretaries having Membership Number A35968 & Certificate of Practice Number 22311 (Peer Review No. 3397/2023), to undertake the Secretarial Audit for the one term of 4 years for the financial year 2026-30.

The Board accordingly recommends the Ordinary Resolution set out at Item No. 04 of the accompanying Notice for approval of the Members.

16. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or

call on toll free no.: 1800 1020 990 and 1800 22 44 30.

17. Instructions for e-voting and AGM are as follows:

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i. The voting period begins on **Friday, 25th September, 2026 from 9:00 A.M** and ends on **Monday 28th September, 2026 till 5:00 P.M.** During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **22nd September, 2026** may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants.** Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. ECONOMIC OUTLOOK FOR F.Y.-2025-26:

Macroeconomic Overview

Economy Back to Growth, Business as Usual

India's real GDP growth for FY 2025-26 is projected at 7.7 percent, aligning with its decadal average. The real gross value added (GVA) is also expected to grow at the same rate. While the global economy grew by 3.3 percent in 2023, the IMF projects a 3.2 percent growth rate over the next 5 years. For FY 2026-27 India's GDP growth is forecasted to range between 7.4 percent and 7.8 percent, depending on external factors. The survey underlines India's commitment to structural reforms and deregulation to strengthen its medium-term growth potential

However, geopolitical tensions, global trade risks, and ongoing conflicts remain significant concerns. Inflationary trends indicate a decline, with retail headline inflation reducing from 5.4 percent in FY25 to 4.9 percent in April–December 2026. Capital expenditure has consistently improved, with an 8.2 percent year-on-year increase post-general elections (July–November 2025). India also maintains its position as the seventh-largest global exporter of services, reflecting its strong competitiveness in the sector.

Private consumption and investment remain crucial drivers of economic growth. Rural demand is showing signs of recovery, supported by higher agricultural output and government welfare measures. Urban consumption continues to be robust, driven by increased disposable incomes, a thriving services sector, and improved employment prospects. Meanwhile, government spending on social infrastructure, including healthcare and education, remains a priority to ensure inclusive growth

Global Economic Overview:

The global economy is expected to witness a synchronous rebound in 2026 as major election uncertainties are out of the way and central banks in the West likely announce a couple of rate cuts later in 2026. India will likely see improved capital flows boosting private investment and a rebound in exports. Inflation concerns remain, however, which we believe may ease only in the latter half of the next fiscal year barring any surprises from rising oil or food prices.

In this edition of India economic outlook, the focus is on the emerging consumer spending patterns in India, highlighting the rise of the middle-income class. Not only has growth in consumer spending post pandemic been fluctuating, but there is also a shift in consumption patterns, with demand for luxury and high-end products and services growing faster than demand for basic goods. As we expect the number of middle- to high-income households with increasing disposable income to rise, this trend will likely get further amplified, driving overall private consumer expenditure growth.

But the challenge of rising household debt and falling savings could weigh on long-term growth sustainability. Controlling household debt to prevent it from crossing unsustainable levels will be essential to mitigate risks of debt overhang, maintain economic stability, and protect households against financial vulnerability. Real GDP growth climbed to 8.4% YoY in third quarter of the current fiscal year

INDEPENDENT AUDITORS' REPORT

To
The Members of **Malt Land Distilleries Limited (Formerly Abhijit Trading Co. Ltd.)**
Report on the audit of the financial statements

Opinion

We have audited the accompanying standalone financial statements of **Malt Land Distilleries Limited (Formerly Abhijit Trading Co. Ltd.)** ("the Company"), which comprise the balance sheet as at March 31, 2026, and the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and may not give a true and fair view due to non-provision of interest on loans, in conformity with the Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its **Profit** and total comprehensive income, changes in equity and its cash flows for the year ended on that date subject to our comments in sub clause iii and subclause iv of clause 4 of Companies (Auditor's Report) Order, 2020. The company should have prepared a financial statement in compliance with IND-AS as prescribed, which may significantly affect the financial statements of the company.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditor's Response
Loan borrowed The company is not a CIC company and has borrowed Inter-corporate deposits. For the year ended March 31, 2026, the Company had balance of borrowed loans at Rs. 3,11,820 lacs. The variety of terms that define contract of loan where terms of loans, such as repayment schedule, Rate of Interest, securities associated, overdues if any etc. This area was of most significance in our audit due to the magnitude of amount involved and there conversion of the same to equity capital. Accordingly, due to the significant risk associated in accordance with terms of applicable AS, it was determined to be a key audit matter in our audit of the standalone financial statements.	Our audit procedures included the following: • Considered Company's loan policy and its compliance. • Assessed the design and tested the operating effectiveness of internal controls related to loans. • Performed sample tests of individual transaction and other related documents. Further, with respect to the samples tested we checked that the loans have been taken as per the policy. • Selected sample of loans obtained and checked the documents. • Obtained few balance confirmations as at the year end to evaluate loans. • We checked the Shareholders List maintained by RTA.
Loan advanced The company is mainly a CIC company and had advanced Inter-corporate deposits. For the year ended March 31, 2026, the Company had balance of loans and advances to the tune of Rs. 51,744.55 lacs. The variety of terms that define contract of loan where terms of loans, such as repayment schedule, Rate of Interest, securities associated, overdues if any etc. This area was of most significance in our audit due to the magnitude of amount involved and there conversion of the same to equity capital. Accordingly, due to the significant risk associated in accordance with terms of applicable AS, it was determined to be a key audit matter in our audit of the standalone financial statements.	Our audit procedures included the following: • Considered Company's loan policy and its compliance. • Assessed the design and tested the operating effectiveness of internal controls related to loans. • Performed sample tests of individual transaction and other related documents. Further, in respect of the samples tested we checked that the loans have been advanced as per the policy. • Selected sample of loans extended and checked the documents. • Obtained few balance confirmations as at the year end to evaluate loans. • We checked the Demat Statement issued by depositories.

Fair Valuation of Investments in Unquoted Instruments

The Company's investments in unquoted instruments (other than investment in Associates) are measured at fair value at each reporting date, and these fair value measurements significantly impact the Company's financial performance. The company's investments in associates are measured at cost, less provision for impairment. Within the Company's investment portfolio, the valuation of certain assets such as unquoted equity requires significant judgement because quoted prices are unavailable, and there is limited liquidity in these markets. Refer to note 5(a), 7.5, and 16 to the consolidated financial statements.

Principal audit procedures followed:

- Understanding the process, evaluating the design, and testing the operating effectiveness of controls related to valuation of investments by management.
- Evaluating management's controls over the collation of relevant information used for determining estimates for valuation of investments.
- Testing the appropriate implementation of the accounting policy for valuation by management.
- Reconciling the financial information mentioned in fair valuation to the underlying source details. Also, testing the reasonableness of management's estimates considered in such assessments.
- Obtaining independent valuation reports for investments in unquoted instruments. However, the same were not available for our consideration.
- Testing the reasonableness of management's estimates considered in such assessments.
- Assessing the competence, capabilities, and objectivity of the experts used by management in the process of valuation models.
- Assessing the factual accuracy, the conclusion reached by management, and the appropriateness of the disclosures made in the consolidated financial statements with respect to investments.
- As per management the financial crisis is temporary and the management of such companies is reportedly taking adequate steps to improve the financial status of such companies.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility and

Sustainability Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report on in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We have also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The previously issued standalone financial statements were audited by the predecessor auditor whose report for the year ended **31 March 2025** issued on **28 May 2025** expressed an modified opinion on those standalone financial statements were also prepared without complying to companies accounting standard rules 2021 to comply with Ind As.

Annexure “A” to the Independent Auditor’s Report*

(Referred to in paragraph 1 under ‘Report on other legal and regulatory requirements’ section of our report to the members of **Malt Land Distilleries Limited (Formerly Abhijit Trading Co. Ltd.)** of even date)

Referred to in our Report of even date:

i. Property, Plant and equipment

- (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.
(B) The Company does not have any intangible fixed assets. Accordingly, the provisions of clause 3(i)(a)(B) of the Order are not applicable.
- (b) As explained to us, Property, plant and equipment have been physically verified by the management during the year in accordance with the phased program of verification adopted by the management which, in our opinion, provides for physical verification of all the Property, plant and equipment at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations received by us, as the company owns no immovable properties, the requirement on reporting whether title deeds of immovable properties held in the name of the company is not applicable. The company has not taken any property on lease.
- (d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
- (e) No proceedings which have been initiated during the year or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and Rules made thereunder.

ii. In respect of Inventories

- (a) The Company is in the business of providing loans and investments. The investments which form part of stock are held by the company in the Dematerialized account maintained with the National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL), hence the company does not have physical inventory. The balance of stock lying with the depository is verified by the management. In our opinion, the frequency of verification is reasonable. The inventories have been valued at cost only.
- (b) In our opinion and according to the information and explanations given to us, the procedures of verification of stock lying in Dematerialized account followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) The Company has maintained proper records of inventories. As per the information and explanation given to us, no material discrepancies were noticed on verification of the inventories.

iii. In respect of Loans, Investments, Guarantees and Securities

- (a) According to the information and explanations given to us, the company has granted following unsecured demand loans:

Sl. No	Particulars	Nature of Association, if any	Nature of Payments	Aggregate Amount Given (In Lakhs)	Amount O/s at Balance Sheet Date (In Lakhs)
.					

1.	Listed/ Unlisted Companies	Group Companies/ Person/Non-Group Companies	Interest Bearing Unsecured Loan	302.50	51,744.55
----	----------------------------------	---	------------------------------------	--------	-----------

- Other details in respect of loans are summarized below:

Particulars	Current Year Amount (In Lakhs)	Previous Year Amount (In Lakhs)
Opening Balance	51,828.24	36,461.17
Loan Given during the year	302.50	3,12,655.72
Interest Applied	122.53	104.74
Interest Reversed	52.04	34.00
Loan Repayment	456.67	11,682.12
Converted to Equity	-	285,350.00

<u>Other Details</u>		
Interest Overdue	67.08	70.74
Pending for Conversion to Equity	50,000.00	50,000.00

- (b) In our opinion and according to the information and explanations given to us the terms and conditions of grant of all loans and advances in the nature of loans are not prima facie, prejudicial to the Company's interest except that interest waived on loans converted to equity capital by the borrowers. However during the year no interest has been provided on loan to the extent of **Rs. 50,000 Lakhs** as same is pending for conversion to equity.
- (c) According to the information and explanations given to us, in respect of loans and advances in the nature of loans, the schedule of repayment of the principal and the payment of interest has not been stipulated and hence we are unable to comment as to whether repayments of the principal amount and the receipt of interest are regular or not.
- (d) According to the information and explanations given to us, in respect of loans or advances in the nature of loans granted by the Company, there are overdue amount of interest amounted of **Rs. 67.08 Lakhs** as at the balance sheet date.
- (e) According to the information and explanations given to us, no loan granted by the Company which has fallen due during the year has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- (f) The Company has not granted any loans or advances in the nature of loans which are either repayable on demand or without specifying any terms or period of repayment.

iv. **In respect of Loans, Investments, Guarantees and Securities covered u/s 185 & 186 of the Companies Act, 2013**

The Company has invested in shares of group companies which exceeds the limit prescribed under section 186 of the Companies Act 2013. Further the company has not provided any loans to directors or their relatives as covered under section 185 of companies act 2013. Based on the information and explanations provided to us and on our examination of the records of the Company, we observe that the Group comprises multiple entities with multiple inter-company transactions involving infusion of funds in the nature of capital contributions, loans and investments. Many entities within the Group also have crossholdings with one another. Considering the complex multi-layered structure and flow of funds within the Group entities, it is not feasible for us to ascertain with precision the exact quantum of investments made through entities beyond two layers. However, during the year no interest has been provided on loan to

the extent of **Rs. 50,000 Lakhs** as same is pending for conversion to equity, belonging to Tiaan Consumer Ltd.

v. In respect of Deposits from Public

The Company has not accepted any deposits and in our opinion, the Company is not holding any amounts which are deemed to be deposits during the year. Further the Company had no unclaimed deposits at the beginning of the year.

vi. In respect of maintenance of cost record

To the best of our knowledge and belief, the Central Government has not specified maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of the Company's products/ services. Accordingly, the provisions of clause 3(vi) of the Order are not applicable.

vii. In respect of statutory dues

- a) In our opinion and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable to the Company, with the appropriate authorities during the year. There were no undisputed amounts payable in respect thereof, which were outstanding at the year-end for a period of more than six months from the date they became payable except Company has not deposited GST under reverse charges mechanism amounting to Rs. 0.88 Lakhs.
- b) There is an outstanding tax demand against the company for AY 2018-19 of Rs. 1.03 Lakhs, AY 2019-20 of Rs. 5.07 Lakhs, AY 2021-22 of Rs. 0.28 Lakhs, AY 2022-23 of Rs. 4.33 lakhs, AY 2023-24 of Rs. 0.88 Lakhs, against which no appeal was filed.

viii. In respect of transactions not recorded in books but surrendered in Income Tax Assessments

According to the information and explanations given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix. Borrowings

- (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to following lenders during the year as detailed below:

Nature of borrowing including debt securities	Name of lender*	Amount not paid on due date	Whether principal or interest	No. of days delay or unpaid	Remarks, if any
Unsecured Loan	Alstone Textiles India Ltd.	NIL	NIL	NIL	Interest waived and not booked due to agreement for conversion of loan to equity, Pending for SEBI approval

Unsecured Loan	Hillridge Investments Ltd.	NIL	NIL	NIL	

Unsecured Loan	Twinkle Mecantile & Credits Pvt. Ltd.	NIL	NIL	NIL	Interest free Loan was taken
----------------	---------------------------------------	-----	-----	-----	------------------------------

- (b) According to the information and explanations given to us, we report that the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us, the term loan availed by the Company were applied during the year for the purposes for which they were obtained.
- (d) On an overall examination of the financial statements of the Company, we report that funds raised on short-term basis have prima facie, not been used for long-term purposes by the Company.
- (e) The Company does not have any subsidiary and joint venture but have associates.
- (f) The Company has not raised any loan during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

x. In respect of money raised by way of initial public offer or private placement.

- (a) In our opinion and according to the information and explanations given to us The Company had not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally).

xi. In respect of fraud

- (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-section (12) of Section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) In our opinion and according to the information and explanations given to us by the company has not received any whistle-blower complaint during the year under review.

xii. In respect of Nidhi Company

The Company is not a Nidhi Company. Accordingly, the provisions of clause 3(xii)(a)-(c) of the Order are not applicable.

xiii. In respect of Related Party Transactions

The Company has not undertaken related party transactions as covered by section 177 & section 188 of The Companies Act, 2013 during the year under consideration. And are disclosed in the financial statements by way of notes to accounts.

xiv. In respect of Internal Audit

In our opinion and according to the information and explanations given to us, the company has appointed an internal auditor as per provisions of Section 138 of Indian Companies Act 2013 read with Rule 13 Of Companies (Accounts) Rules, 2014. However, the reports were not made available to us.

xv. In respect of Non-Cash Transactions

In our opinion, and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors, hence provisions of Section 192 of the Act are not applicable to the Company.

xvi. In respect of Registration with RBI

According to the information and explanations given to us, we are of the opinion that the company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. The company has borrowed and extended loans during the year. The company has earned income mainly from interest. The company does not meet the Core Investment Company (CIC) criteria as defined in the regulations made by the Reserve Bank of India.

xvii. In respect of Cash Losses

The Company has not incurred any cash losses in the current financial year.

xviii. In respect of Resignation of Auditors

There was no resignation of statutory auditors during the year under consideration.

xix. In respect of ability to meet obligations of the company.

On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions and considering the financial conditions of the borrower we are of the opinion that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability or inviability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due. .

xx. In respect of Corporate Social Responsibility.

The provisions of Section 135 towards corporate social responsibility are not applicable on the company. Accordingly, the provisions of clause 3(xx) of the Order is not applicable.

xxi. Qualification/ Adverse comments in CARO by Auditors for Financial Statements

The reporting under clause 3 (xxi) of the Order is not applicable in respect of audit of Standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 (f) under ‘Report on other legal and regulatory requirements’ section of our report to the Members of **Malt Land Distilleries Limited (Formerly Abhijit Trading Co. Ltd.)** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of **Malt Land Distilleries Limited (Formerly Abhijit Trading Co. Ltd.)** (“the Company”) as at March 31, 2026, in Conjunction with our audit of the financial statements of the Company for the year ended on that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

The Company’s Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the ‘Guidance Note’) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company’s business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

Meaning of internal financial controls over financial reporting

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, maintained internal financial controls with reference to financial statements as of March 31, 2026, based on the internal financial controls criteria established by the Company, considering the essential components of internal financial controls stated in the Guidance Note.

However, we have identified certain deficiencies in the design or operation of internal financial controls that, in our view, may affect the effectiveness of the internal controls. These deficiencies do not, in our opinion, result in a material misstatement of the financial statements, but could potentially impact the reliability of the financial reporting process.

SEGMENT REPORTING

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the Chief Operating Decision Maker, in deciding how to allocate resources and assessing performance. Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. Based on the management approach as defined in Ind AS 108, the Chief Operating Decision Maker evaluates the Company's performance based on only one segment i.e. Trading of shares and Securities.

- 33.2 The management assessed that the fair values of cash and cash equivalents, trade receivables, trade payables, current borrowings, current loans and other financial assets & liabilities approximates their carrying amounts largely due to the short-term maturities of these instruments.
- 33.3 The management considers that the carrying amounts of Financial assets and Financial liabilities recognized at nominal cost/amortised cost in the Financial statements approximate their fair values.
- 33.4 Non current borrowings has been contracted at floating rates of interest, which are reset at short intervals. Fair value of floating interest rate borrowings approximates their carrying value subject to adjustments made for transaction cost.

34 FINANCIAL RISK MANAGEMENT

Financial management of the Company has been receiving attention of the top management of the Company. The management considers finance as the lifeline of the business and therefore, financial management is carried out meticulously on the basis of detailed management information systems and reports at periodical intervals extending from daily reports to long-term plans. Importance is laid on liquidity and working capital management with a view to reduce over-dependence on borrowings and reduction in interest cost. Various kinds of financial risks and their mitigation plans are as follows:

34.1 CREDIT RISK

The credit risk is the risk of financial loss arising from counter party failing to discharge an obligation. The credit risk is controlled by analysing credit limits and credit duration for customers on continuous basis. Further, in order to manage the credit risk, the security deposits are obtained from customers where ever considered necessary.

34.2 LIQUIDITY RISK

The Company determines its liquidity requirement in the short, medium and long term. This is done by drawing up cash forecast for short term and long term needs.

The Company manage its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalent position. The management has arranged for funding from banks and inter corporate and adopted a policy of managing assets with liquidity monitoring future cash flow and liquidity on a regular basis. Surplus funds not immediately required are invested in certain fixed deposits which provides flexibility to liquidate.

Note: The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements (if any). The interest payments on variable interest rate loans in the tables above reflect market forward interest rates at the respective reporting dates and these amounts may change as market interest rates change. Except for these financial liabilities, it is not expected that cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts. When the amount payable is not fixed, the amount disclosed has been determined with reference to conditions existing at the reporting date.

35 CAPITAL MANAGEMENT

The Company objective to manage its capital is to ensure continuity of business while at the same time provide reasonable returns to its various stakeholders but keep associated costs under control. In order to achieve this, requirement of capital is reviewed periodically with reference to operating and business plans that take into account capital expenditure and strategic investments. Sourcing of capital is done through judicious combination of equity/internal accruals and borrowings, both short term and long term. Net debt (total borrowings less cash and cash equivalents) to equity ratio is used to monitor capital.

We believe that we are well placed to leverage on the growth opportunities in the economy.

2. BASIS OF ACCOUNTING

2.1. Statement of Compliance

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, and other accounting principles generally accepted in India.

These financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values under Ind AS.

2.2. Basis of Measurement

The Company maintains accounts on accrual basis following the historical cost convention, except for followings:

2.2.1. All assets falling under Property Plant and Equipment (PPE) have been valued at Cost Less Depreciation.

2.2.2. Certain Financial Assets and Liabilities is measured at Fair value/ Amortized cost (refer accounting policy regarding financial instruments);

2.2.3. Defined Benefit Plans – Plan assets measured at fair value wherever applicable

2.3. Functional and Presentation Currency

The Financial Statements are presented in Indian Rupee (₹), which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. All amounts disclosed in financial statements and notes have been rounded off to the nearest Lakhs (with two places of decimal) as per the requirements of Schedule III, unless otherwise stated.

2.4. Use of Estimates and Judgements

The preparation of financial statements in conformity with Ind AS requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

2.5. Presentation of Financial Statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 (“the Act”). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 “Statement of Cash flows”. The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Indian Accounting Standards.

2.6. Operating Cycle for current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1. The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

2.6.1. An asset is classified as current when it is:

2.6.1.1. Expected to be realized or intended to sold or consumed in normal operating cycle;

2.6.1.2. Held primarily for the purpose of trading;

2.6.1.3. Expected to be realized within twelve months after the reporting period; or

2.6.1.4. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All the other assets are classified as non-current.

2.6.2. A liability is current when:

2.6.2.1. It is expected to be settled in normal operating cycle;

2.6.2.2. It is held primarily for the purpose of trading;

2.6.2.3. It is due to be settled within twelve months after the reporting period; or

2.6.2.4. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All the other liabilities are classified as non-current.

2.6.3. Deferred Tax Assets and Liabilities are classified as non-current assets and liabilities respectively.

2.7. Measurement of Fair Values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

2.7.1. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

2.7.1.1. In the principal market for the asset or liability, or

2.7.1.2. In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

2.7.2. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

2.7.3. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable and

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

“External valuers are engaged for the valuation of significant assets and liabilities. The selection of external valuers is determined by the management of the Company, taking into consideration the requirements of Ind AS. The selection criteria include market knowledge, reputation, independence, and adherence to professional standards.”

3. ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

3.1. Property, Plant and Equipment

3.1.1. Recognition and Measurement:

Property (Land and Building), plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes is stated in the balance sheet at Fair Market Value less any accumulated depreciation and accumulated impairment losses (if any). Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Profit or loss arising on the disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

3.1.2. Subsequent Measurement:

Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.

Major Inspection/ Repairs/ Overhauling expenses are recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any Unamortized part of the previously recognized expenses of similar nature is derecognized.

3.1.3. Depreciation and Amortization:

Depreciation on Property, Plant & Equipment is provided on Straight Line Method in terms of life span of assets prescribed in Schedule II of the Companies Act, 2013 or as reassessed by the Company based on the technical evaluation.

In case the cost of part of tangible asset is significant to the total cost of the assets and useful life of that part is different from the remaining useful life of the asset, depreciation has been provided on straight line method based on internal assessment and independent technical evaluation carried out by external valuers, which the management believes that the useful lives of the component best represent the period over which it expects to use those components.

--------	---

Depreciation on additions (disposals) during the year is provided on a pro-rata basis i.e., from (up to) the date on which asset is ready for use (disposed of).

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

3.1.4. Disposal of Assets

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

3.1.5. Capital Work in Progress

Capital work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and ther expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

3.2. Leases

3.2.1. Determining whether an arrangement contains a lease

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right-of-use (ROU) for the asset or assets, even if that right is not explicitly specified in an arrangement.

Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosures of leases for both lessees and lessors. It introduced a single, on-balance sheet accounting model for lessees.

The Company is lessee mainly in Land & Building (Factory and Offices). It recognised all such arrangements as right-of-use (ROU) asset and lessee as liability. The ROU is considered when company has all the right to drive economic benefits from the use of underlying asset. The right-of-use (ROU) asset is measured by discounting future lease payments to net present value (NPV). All lease payments during reporting period are recognised either as operational lease or financial lease as per Ind AS 116. However low value leases and leases below 12 months are treated as operating lease only.

3.2.2. Company as lessor

Finance Lease

Leases which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item are classified and accounted for as finance lease. Lease rental receipts are apportioned between the finance income and capital repayment based on the implicit rate of return. Contingent rents are recognized as revenue in the period in which they are earned.

Operating Lease

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease except where scheduled increase in rent compensates the Company with expected inflationary costs.

3.2.3. Company as lessee

Finance Lease

Finance Leases, which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease Payments under such leases are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are charged directly to the statement of profit and loss. Lease management fees, legal charges and other initial direct costs are capitalized. If there is no reasonable certainty that the Company will obtain the ownership by the end of lease term, capitalized leased assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

Operating Lease

Assets acquired on leases where a significant portion of risk and reward is retained by the lessor are classified as operating leases. Lease rental are charged to statement of profit and loss on a straight-line basis over the

lease term, except where scheduled increase in rent compensates the Company with expected inflationary costs.

3.3. Inventories

Inventories are valued at the lower of cost and net realizable value (NRV). Cost is measured by including, unless specifically mentioned below, cost of purchase and other costs incurred in bringing the inventories to their present location and condition. NRV is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. Cost is ascertained on weighted average basis for all inventories except for by products and scrap materials which are valued at net realizable value.

3.4. Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

For the purpose of the statement of cash flows, cash and cash equivalents includes cash on hand, term deposits and other short-term highly liquid investments, net of bank overdrafts as they are considered an integral part of the Company's cash management. Bank overdrafts are shown within short-term borrowings in the balance sheet.

3.5. Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences, unused tax losses etc. Current and deferred tax is recognized in the statement of profit & loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

3.5.1. Current Tax: -

Current tax liabilities (or assets) for the current and prior periods are measured at the amount expected to be paid to (recovered from) the taxation authorities using the tax rates (and tax laws) that have been enacted or substantively enacted, at the end of the reporting period.

3.5.2. Minimum Alternate Tax (MAT) credit:-

MAT Credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the Minimum Alternative tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of profit and loss and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

3.5.3. Deferred Tax: -

Deferred Tax assets and liabilities is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and unused tax credits.

Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in equity. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

3.6. Revenue Recognition

Revenue is recognized based to the extent it is probable that the economic benefit will flow to the company and revenue can be reliably measured regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment, and excludes taxes & duties collected on behalf of the Government and is reduced for estimated customer returns, rebates and other similar allowances.

Sale of Products: The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and significant risk and reward incidental to sale of products is transferred to the buyer, usually on delivery of the goods. Accruals for sales return, chargeback and other allowances are provided at the point of sale based on the past experience.

Revenue from rendering of services: Revenue from rendering of services is recognized on pro-rata basis over the period of contract and when the performance of agreed contractual task has been completed

Interest Income: For all debt instruments measured either at amortized cost or at fair value through other comprehensive income (FVTOCI), interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

Other Income: Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

In respect of loan agreements, the income is accrued by applying the impact rate in the transaction on declining balance on the amount financed for the period of the agreement.

Dividend income on investments is recognized when the right to receive the same is established.

3.7. Employee Benefits

3.7.1. Short Term Benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period.

3.7.2. Other Long-Term Employee Benefits

The liabilities for earned/privilege leave that are not expected to be settled wholly within twelve months are measured as the present value of the expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation. Remeasurement as the result of experience adjustment and changes in actuarial assumptions are recognized in statement of profit and loss.

3.7.3. Post-Employment Benefits

The Company operates the following post-employment schemes:

a) Defined Contribution Plan

- Defined contribution plans such as Provident Fund, Employee State Insurance etc. are charged to the statement of profit and loss as and when incurred and paid to Authority.

b) Defined Benefit Plans

- The liability or asset recognized in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

- The liability recognized for defined benefit plans is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation.

- Remeasurement of the net defined benefit obligation, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling, are recognized in other comprehensive income. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

3.8. Foreign Currency Transactions

3.8.1. Foreign currency (other than the functional currency) transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.

3.8.2. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognized in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets. When they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.

3.9. Borrowing Costs

3.9.1. Borrowing Costs consists of interest and other costs that an entity incurs in connection with the borrowings of funds. Borrowing costs also includes foreign exchange difference to the extent regarded as an adjustment to the borrowing costs.

3.9.2. Borrowing costs directly attributable to the acquisition or construction of a qualifying asset are capitalized as a part of the cost of that asset that necessarily takes a substantial period of time to complete and prepare the asset for its intended use or sale.

3.9.3. Transaction costs in respect of long-term borrowing are amortized over the tenure of respective loans using Effective Interest Rate (EIR) method. All other borrowing costs are recognized in the statement of profit and loss in the period in which they are incurred.

3.10. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

3.11. Financial Assets

3.11.1. Recognition and Initial Measurement:

All financial assets are initially recognized when the company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

3.11.2. Classification and Subsequent Measurement: For purposes of subsequent measurement, financial assets are classified in four categories:

- Measured at Amortized Cost;
- Measured at Fair Value through Other Comprehensive Income (FVTOCI);
- Measured at Fair Value through Profit or Loss (FVTPL); and
- Equity Instruments designated at Fair Value through Other Comprehensive Income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

3.12.2.1 Measured at Amortized Cost: A debt instrument is measured at the amortized cost if both the following conditions are met:

1. The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
2. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the statement of profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade receivables, cash and bank balances, loans and other financial assets of the company.

3.12.2.2 Measured at FVTOCI: A debt instrument is measured at the FVTOCI if both the following conditions are met:

- 1 The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
- 2 The asset's contractual cash flows represent SPPI.
- 3 Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

3.12.2.3 Measured at FVTPL: FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss. Equity instruments which are, held for trading are classified as at FVTPL.

3.12.2.4 Equity Instruments designated at FVTOCI: For equity instruments, which has not been classified as FVTPL as above, the company may make an irrevocable election to present in other

comprehensive income subsequent changes in the fair value. The company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. In case the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment.

3.11.3. Derecognition:

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

3.12.4. Impairment of Financial Assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The company recognizes impairment loss for trade receivables that do not constitute a financing transaction using expected credit loss model, which involves use of a provision matrix constructed on the basis of historical credit loss experience. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

3.12. Financial Liabilities

3.12.1. Recognition and Initial Measurement:

Financial liabilities are classified, at initial recognition, as at fair value through profit or loss, loans and borrowings, payables or as derivatives, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

3.12.2. Subsequent Measurement:

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on de-recognition is also recognized in profit or loss.

3.12.3. Financial Guarantee Contracts:

Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirement of Ind AS 109 and the amount recognized less cumulative amortization.

3.12.4. Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

3.12.5. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

3.13. Earnings Per Share

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders adjusted for the effects of potential equity shares by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

3.14. Impairment of Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value being higher of value in use and net selling price. Value in use is computed at net present value of cash flow expected over the balance useful lives of the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (Cash Generating Units – CGU).

An impairment loss is recognized as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in earlier accounting period is reversed if there has been an improvement in recoverable amount.

3.15. Provisions, Contingent Liabilities and Contingent Assets

3.15.1. Provisions

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost.

3.15.2. Contingent Liabilities

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly

within the control of the Company or a present obligation that arises from past events but is not recognized because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses the existence of contingent liabilities in Other Notes to Financial Statements.

3.15.3. Contingent Assets

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent Assets are not recognized though are disclosed, where an inflow of economic benefits is probable.

3.15.4. Intangible Assets

3.15.4.1. Recognition and Measurement

Intangible assets are stated at cost on initial recognition and subsequently measured at cost less accumulated amortization and accumulated impairment loss, if any.

3.16. Amortization

3.16.1. Software's are amortized over a period of three years.

3.16.2. The amortization period and the amortization method are reviewed at least at the end of each financial year. If the expected useful life of the assets is significantly different from previous estimates, the amortization period is changed accordingly.

3.17. Operating Segment

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker of the Company is responsible for allocating resources and assessing performance of the operating segments and accordingly is identified as the chief operating decision maker. The Company has identified one reportable segment only based on the information reviewed by the CODM.

4. SIGNIFICANT JUDGEMENTS AND KEY SOURCES OF ESTIMATION IN APPLYING ACCOUNTING POLICIES

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances. Information about Significant judgments and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

4.1. Recognition of Deferred Tax Assets: The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgment is required in assessing the impact of any legal or economic limits.

4.2. Classification of Leases: The Company enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of

several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset's economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialized nature of the leased asset.

Where the rate implicit in the lease is not readily available, an incremental borrowing rate is applied. This incremental borrowing rate reflects the rate of interest that the lessee would have to pay to borrow over a similar term, with a similar security, the funds necessary to obtain an asset of a similar nature and value to the right of-use asset in a similar economic environment. Determination of the incremental borrowing rate requires estimation.

4.3. Defined Benefit Obligation (DBO): Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, medical cost trends, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.

4.4. Provisions and Contingencies: The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgment by management regarding the probability of exposure to potential loss.

4.5. Impairment of Financial Assets: The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.

4.6. Allowances for Doubtful Debts: The Company makes allowances for doubtful debts through appropriate estimations of irrecoverable amount. The identification of doubtful debts requires use of judgment and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

4.7. Fair value measurement of financial Instruments: When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The input to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

INDEPENDENT AUDITORS' REPORT

To
The Members of **Malt Land Distilleries Limited (Formerly Abhijit Trading Co. Ltd.)**
Report on the audit of the financial statements

Opinion

We have audited the accompanying consolidated financial statements of **Malt Land Distilleries Limited (Formerly Abhijit Trading Co. Ltd.)** ("the Company"), which comprise the balance sheet as at March 31, 2026, and the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and may not give a true and fair view due to non-provision of interest on loans, in conformity with the Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its **Profit** and total comprehensive income, changes in equity and its cash flows for the year ended on that date subject to our comments in sub clause iii and subclause iv of clause 4 of Companies (Auditor's Report) Order, 2020. The company should have prepared a financial statement in compliance with IND-AS as prescribed, which may significantly affect the financial statements of the company.

Basis for opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditor's Response
Loan borrowed The company is not a CIC company and has borrowed Inter-corporate deposits. For the year ended March 31, 2026, the Company had balance of borrowed loans at Rs. 3,11,820 lacs. The variety of terms that define contract of loan where terms of loans, such as repayment schedule, Rate of Interest, securities associated, overdues if any etc. This area was of most significance in our audit due to the magnitude of amount involved and there conversion of the same to equity capital. Accordingly, due to the significant risk associated in accordance with terms of applicable AS, it was determined to be a key audit matter in our audit of the consolidated financial statements.	Our audit procedures included the following: • Considered Company's loan policy and its compliance. • Assessed the design and tested the operating effectiveness of internal controls related to loans. • Performed sample tests of individual transaction and other related documents. Further, with respect to the samples tested we checked that the loans have been taken as per the policy. • Selected sample of loans obtained and checked the documents. • Obtained few balance confirmations as at the year end to evaluate loans. • We checked the Shareholders List maintained by RTA.

Loan advanced The company is mainly a CIC company and had advanced Inter-corporate deposits. For the year ended March 31, 2026, the Company had balance of loans and advances to the tune of Rs.51,744.55 lacs. The variety of terms that define contract of loan where terms of loans, such as repayment schedule, Rate of Interest, securities associated, overdues if any etc. This area was of most significance in our audit due to the magnitude of amount involved and there conversion of the same to equity capital. Accordingly, due to the significant risk associated in accordance with terms of applicable AS, it was determined to be a key audit matter in our audit of the consolidated financial statements.	Our audit procedures included the following: • Considered Company's loan policy and its compliance. • Assessed the design and tested the operating effectiveness of internal controls related to loans. • Performed sample tests of individual transaction and other related documents. Further, in respect of the samples tested we checked that the loans have been advanced as per the policy. • Selected sample of loans extended and checked the documents. • Obtained few balance confirmations as at the year end to evaluate loans. • We checked the Demat Statement issued by depositories.

Fair Valuation of Investments in Unquoted Instruments The Company's investments in unquoted instruments (other than investment in Associates) are measured at fair value at each reporting date, and these fair value measurements significantly impact the Company's financial performance. The company's investments in associates are measured at cost, less provision for impairment. Within the Company's investment portfolio, the valuation of certain assets such as unquoted equity requires significant judgement because quoted prices are unavailable, and there is limited liquidity in these markets. Refer to note 5(a), 7.5, and 16 to the consolidated financial statements.	Principal audit procedures followed: • Understanding the process, evaluating the design, and testing the operating effectiveness of controls related to valuation of investments by management. • Evaluating management's controls over the collation of relevant information used for determining estimates for valuation of investments. • Testing the appropriate implementation of the accounting policy for valuation by management. • Reconciling the financial information mentioned in fair valuation to the underlying source details. Also, testing the reasonableness of management's estimates considered in such assessments. • Obtaining independent valuation reports for investments in unquoted instruments. However, the same were not available for our consideration. • Testing the reasonableness of management's estimates considered in such assessments. • Assessing the competence, capabilities, and objectivity of the experts used by management in the process of valuation models. • Assessing the factual accuracy, the conclusion reached by management, and the appropriateness of the disclosures made in the consolidated financial statements with respect to investments. • As per management the financial crisis is temporary and the management of such companies is reportedly taking adequate steps to improve the financial status of such companies.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility and

Sustainability Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report on in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We have also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk

of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The previously issued consolidated financial statements were audited by the predecessor auditor whose report for the year ended **31 March 2025** issued on **28 May 2025** expressed an modified opinion on those consolidated financial statements were also prepared without complying to companies accounting standard rules 2021 to comply with Ind As.

(Referred to in paragraph 1 under ‘Report on other legal and regulatory requirements’ section of our report to the members of **Malt Land Distilleries Limited (Formerly Abhijit Trading Co. Ltd.)** of even date)

Referred to in our Report of even date:

xxii. Property, Plant and equipment

- (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company does not have any intangible fixed assets. Accordingly, the provisions of clause 3(i)(a)(B) of the Order are not applicable.
- (b) As explained to us, Property, plant and equipment have been physically verified by the management during the year in accordance with the phased program of verification adopted by the management which, in our opinion, provides for physical verification of all the Property, plant and equipment at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations received by us, as the company owns no immovable properties, the requirement on reporting whether title deeds of immovable properties held in the name of the company is not applicable. The company has not taken any property on lease.
- (d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
- (e) No proceedings which have been initiated during the year or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and Rules made thereunder.

xxiii. In respect of Inventories

- (a) The Company is in the business of providing loans and investments. The investments which form part of stock are held by the company in the Dematerialized account maintained with the National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL), hence the company does not have physical inventory. The balance of stock lying with the depository is verified by the management. In our opinion, the frequency of verification is reasonable. The inventories have been valued at cost only.
- (b) In our opinion and according to the information and explanations given to us, the procedures of verification of stock lying in Dematerialized account followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) The Company has maintained proper records of inventories. As per the information and explanation given to us, no material discrepancies were noticed on verification of the inventories.

xxiv. In respect of Loans, Investments, Guarantees and Securities

- (a) According to the information and explanations given to us, the company has granted following unsecured demand loans:

Sl. No	Particulars	Nature of Association, if any	Nature of Payments	Aggregate Amount Given (In Lakhs)	Amount O/s at Balance Sheet Date (In
.					

					Lakhs)
1.	Listed/ Unlisted Companies	Group Companies/ Person/Non-Group Companies	Interest Bearing Unsecured Loan	302.50	51,744.55

- Other details in respect of loans are summarized below:

Particulars	Current Year Amount (In Lakhs	Previous Year Amount (In Lakhs)
Opening Balance	51,828.24	36,461.17
Loan Given during the year	302.50	3,12,655.72

<u>Other Details</u>		
Interest Overdue	67.08	70.74
Pending for Conversion to Equity	50,000.00	50,000.00

- (b) In our opinion and according to the information and explanations given to us the terms and conditions of grant of all loans and advances in the nature of loans are not prima facie, prejudicial to the Company's interest except that interest waived on loans converted to equity capital by the borrowers. However during the year no interest has been provided on loan to the extent of **Rs. 50000 Lakhs** as same is pending for conversion to equity.
- (c) According to the information and explanations given to us, in respect of loans and advances in the nature of loans, the schedule of repayment of the principal and the payment of interest has not been stipulated and hence we are unable to comment as to whether repayments of the principal amount and the receipt of interest are regular or not.
- (d) According to the information and explanations given to us, in respect of loans or advances in the nature of loans granted by the Company, there are overdue amount of interest amounted of **Rs. 67.08 Lakhs** as at the balance sheet date.

- (e) According to the information and explanations given to us, no loan granted by the Company which has fallen due during the year has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- (f) The Company has not granted any loans or advances in the nature of loans which are either repayable on demand or without specifying any terms or period of repayment.

xxv. In respect of Loans, Investments, Guarantees and Securities covered u/s 185 & 186 of the Companies Act, 2013

The Company has invested in shares of group companies which exceeds the limit prescribed under section 186 of the Companies Act 2013. Further the company has not provided any loans to directors or their relatives as covered under section 185 of companies act 2013. Based on the information and explanations provided to us and on our examination of the records of the Company, we observe that the Group comprises multiple entities with multiple inter-company transactions involving infusion of funds in the nature of capital contributions, loans and investments. Many entities within the Group also have crossholdings with one another. Considering the complex multi-layered structure and flow of funds within the Group entities, it is not feasible for us to ascertain with precision the exact quantum of investments made through entities beyond two layers. However, during the year no interest has been provided on loan to the extent of **Rs. 50,000 Lakhs** as same is pending for conversion to equity, belonging to Tiaan Consumer Ltd.

xxviii. In respect of statutory dues

- a) In our opinion and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable to the Company, with the appropriate authorities during the year. There were no undisputed amounts payable in respect thereof, which were outstanding at the year-end for a period of more than six months from the date they became payable except Company has not deposited GST under reverse charges mechanism amounting to Rs. 0.88 Lakhs.
- b) There is an outstanding tax demand against the company for AY 2018-19 of Rs. 1.03 Lakhs, AY 2019-20 of Rs. 5.07 Lakhs, AY 2021-22 of Rs. 0.28 Lakhs, AY 2022-23 of Rs. 4.33 lakhs, AY 2023-24 of Rs. 0.88 Lakhs, against which no appeal was filed.

xxix. In respect of transactions not recorded in books but surrendered in Income Tax Assessments

According to the information and explanations given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

xxx. Borrowings

- (a) In our opinion and according to the information and explanations given to us, the Company has defaulted in repayment of loans or other borrowings or in the payment of interest thereon to following lenders during the year as detailed below:

Nature of borrowing including debt securities	Name of lender*	Amount not paid on due date	Whether principal or interest	No. of days delay or unpaid	Remarks, if any

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 (f) under ‘Report on other legal and regulatory requirements’ section of our report to the Members of **Malt Land Distilleries Limited (Formerly Abhijit Trading Co. Ltd.)** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of **Malt Land Distilleries Limited (Formerly Abhijit Trading Co. Ltd.)** (“the Company”) as at March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

The Company’s Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the ‘Guidance Note’) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company’s business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

Meaning of internal financial controls over financial reporting

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, maintained internal financial controls with reference to financial statements as of March 31, 2026, based on the internal financial controls criteria established by the Company, considering the essential components of internal financial controls stated in the Guidance Note.

However, we have identified certain deficiencies in the design or operation of internal financial controls that, in our view, may affect the effectiveness of the internal controls. These deficiencies do not, in our opinion, result in a material misstatement of the financial statements, but could potentially impact the reliability of the financial reporting process.

33 FAIR VALUES OF FINANCIAL ASSETS AND FINANCIAL LIABILITIES MEASURED AT AMORTISED COST

33.1 The following is the comparison by class of the carrying amounts and fair value of the Company's financial instruments that are measured at amortized cost:

(₹ in Lakhs)

Particulars	31.03.2026		31.03.2025	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets				
Trade Receivables	-	-	-	-
Cash and Cash Equivalents	14.46	14.46	79.58	79.58

Total Financial Liabilities	3,11,839.36	3,11,839.36	3,11,624.67	3,11,624.67

33.2 The management assessed that the fair values of cash and cash equivalents, trade receivables, trade payables, current borrowings, current loans and other financial assets & liabilities approximates their carrying amounts largely due to the short-term maturities of these instruments.

33.3 The management considers that the carrying amounts of Financial assets and Financial liabilities recognized at nominal cost/amortised cost in the Financial statements approximate their fair values.

33.4 Non current borrowings has been contracted at floating rates of interest, which are reset at short intervals. Fair value of floating interest rate borrowings approximates their carrying value subject to adjustments made for transaction cost.

34 FINANCIAL RISK MANAGEMENT

Financial management of the Company has been receiving attention of the top management of the Company. The management considers finance as the lifeline of the business and therefore, financial management is carried out meticulously on the basis of detailed management information systems and reports at periodical intervals extending from daily reports to long-term plans. Importance is laid on liquidity and working capital management with a view to reduce over-dependence on borrowings and reduction in interest cost. Various kinds of financial risks and their mitigation plans are as follows:

34.1 CREDIT RISK

The credit risk is the risk of financial loss arising from counter party failing to discharge an obligation. The credit risk is controlled by analysing credit limits and credit duration for customers on continuous basis. Further, in order to manage the credit risk, the security deposits are obtained from customers where ever considered necessary.

34.2 LIQUIDITY RISK

The Company determines its liquidity requirement in the short, medium and long term. This is done by drawing up cash forecast for short term and long term needs.

The Company manage its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalent position. The management has arranged for funding from banks and inter corporate and adopted a policy of managing assets with liquidity monitoring future cash flow and liquidity on a regular basis. Surplus funds not immediately required are invested in certain fixed deposits which provides flexibility to liquidate.

Note: The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements (if any). The interest payments on variable interest rate loans in the tables above reflect market forward interest rates at the respective reporting dates and these amounts may change as market interest rates change. Except for these financial liabilities, it is not expected that cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts. When the amount payable is not fixed, the amount disclosed has been determined with reference to conditions existing at the reporting date.

35 CAPITAL MANAGEMENT

The Company objective to manage its capital is to ensure continuity of business while at the same time provide reasonable returns to its various stakeholders but keep associated costs under control. In order to achieve this, requirement of capital is reviewed periodically with reference to operating and business plans that take into account capital expenditure and strategic investments. Sourcing of capital is done through judicious combination of equity/internal accruals and borrowings, both short term and long term. Net debt (total borrowings less cash and cash equivalents) to equity ratio is used to monitor capital.

Notes to the Financial Statements for the year ended 31st March, 2026

1. CORPORATE AND GENERAL INFORMATION

MALT LAND DISTILLERIES LIMITED (Formerly known as Abhijit Trading Company Limited) (“the Group” or the “the Parent”) was incorporated on 03 December 1982 under the provisions of the Companies Act, 1956. The Parent together with its subsidiaries & Joint Venture Group (collectively referred as the “Group”) and is a Public Limited Company (the “Company”) having its registered office at Shop No. 79 01st Floor Moksh, Plaza S V Road Borivali West Mumbai, Maharashtra, India, 400092. The Company is primarily engaged in the business of investment, financing, and trading in shares and securities. The equity shares of the Company were listed on the BSE Limited on 14 January 2016 and are currently traded on the BSE under ISIN: INE994N01019.

We believe that we are well placed to leverage on the growth opportunities in the economy.

2. BASIS OF ACCOUNTING

2.1. Basis of Consolidation

(i) The consolidated financial statements comprise the financial statements of the Group and entities controlled by the entity and its subsidiaries. Control is achieved when the Group:

- Has power over the investee,
- Is exposure or rights to variable return from its involvement with the investee, and
- Has the ability to use its power over the investee to affect its returns.

(ii) The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the above three elements of control.

(iii) When the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- Contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements,
- The Group’s voting rights and potential voting rights and
- Size of the Group’s holding of voting rights relative to the size and dispersion of holdings of other investees with voting rights.
- Any additional facts and circumstances that indicate that the Group has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders’ meetings.

(iv) Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or

disposed of during the year are included in consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

(v) If an entity of the Group uses accounting policies other than those adopted in the consolidated financial statements, for like transactions and other events in similar circumstances appropriate adjustments are made to that entity's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies except in the case of JV Group it wasn't done due to practical difficulties.

(vi) The financial statements of all entities used for the purpose of consolidation are drawn upto the same reporting date as that of the Group, i.e., year ended on 31st March 2026.

(vii) Consolidation procedure followed is as under:

- Items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries are combined like to like basis. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date,
- The difference between carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary is subject to adjustment of goodwill and
- Intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group are eliminated subject to impact of deferred taxes. Profit or loss and each component of other comprehensive income (OCI) are attributable to equity holders of the parent of the Group and to the non-controlling interest, even if this results in the non-controlling interests having deficit balance.

(viii) A change in the ownership interest of a subsidiary, without loss of control, is accounted for as an equity transaction.

(ix) Associates

Associates are entities over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies. This is generally the case where the Group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting, after initially being recognized at cost.

(x) Joint ventures

Joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control. Investments in joint ventures are accounted for using the equity method, after initially being recognized at cost in the consolidated balance sheet.

(xi) Equity Method

- a) Under the equity method of accounting, the investments are initially recognized at cost and adjusted thereafter to recognize the Group's share of the post-acquisition profits or losses of the investee in statement of profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognized as a reduction in the carrying amount of the investment.
- b) When the Group's share of losses in an equity accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognize further losses, unless it has incurred obligations or made payments on behalf of the other entity. Such further losses aren't disclosed as part of Current Liabilities.
- c) Unrealized gains on transactions between the Group and its associates and joint ventures are eliminated to the extent of the Group's interest in these entities. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group.
- d) The carrying amount of equity accounted investments are tested for impairment in accordance with the Accounting Policy described therein, being recognized at cost in the consolidated balance sheet.

(xii) Goodwill

- a. After initial recognition, goodwill arising on an acquisition of a business is measured at cost as established at the date of acquisition of the business less accumulated impairment losses, if any.
- b. For the purposes of impairment testing, goodwill is allocated to each of the Group's cash-generating units (or Groups of cash-generating units) that is expected to benefit from the synergies of the combination.
- c. A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognized directly in the Consolidated Statement of Profit and Loss. An impairment loss recognized for goodwill is not reversed in subsequent periods.
- d. On disposal of the relevant cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.
- e) The Group's policy for goodwill arising on the acquisition of an associate and a joint venture is described in notes below.
- f) The Group discontinues the use of the equity method from the date when the investment ceases to be an associate or a joint venture, or when the investment is classified as held for sale.

- g) When a Group entity transacts with an associate or a joint venture of the Group, profits and losses resulting from the transactions with the associate or joint venture are recognized in the Group's consolidated financial statements only to the extent of interests in the associate or joint venture that are not related to the Group.

2.2. Statement of Compliance

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, and other accounting principles generally accepted in India.

These financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values under Ind AS.

2.3. Basis of Measurement

The Company maintains accounts on accrual basis following the historical cost convention, except for followings:

2.3.1. All assets falling under Property Plant and Equipment (PPE) have been valued at Cost Less Depreciation.

2.3.2. Certain Financial Assets and Liabilities is measured at Fair value/ Amortized cost (refer accounting policy regarding financial instruments);

2.3.3. Defined Benefit Plans – Plan assets measured at fair value wherever applicable

2.4. Functional and Presentation Currency

The Financial Statements are presented in Indian Rupee (₹), which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. All amounts disclosed in financial statements and notes have been rounded off to the nearest Lacs (with two places of decimal) as per the requirements of Schedule III, unless otherwise stated.

2.5. Use of Estimates and Judgements

The preparation of financial statements in conformity with Ind AS requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

2.6. Presentation of Financial Statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the

Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Indian Accounting Standards.

2.7. Operating Cycle for current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1. The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

2.7.1. An asset is classified as current when it is:

- 2.7.1.1. Expected to be realized or intended to sold or consumed in normal operating cycle;
- 2.7.1.2. Held primarily for the purpose of trading;
- 2.7.1.3. Expected to be realized within twelve months after the reporting period; or
- 2.7.1.4. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All the other assets are classified as non-current.

2.7.2. A liability is current when:

- 2.7.2.1. It is expected to be settled in normal operating cycle;
- 2.7.2.2. It is held primarily for the purpose of trading;
- 2.7.2.3. It is due to be settled within twelve months after the reporting period; or
- 2.7.2.4. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All the other liabilities are classified as non-current.

2.7.3. Deferred Tax Assets and Liabilities are classified as non-current assets and liabilities respectively.

2.8. Measurement of Fair Values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

2.8.1. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- 2.8.1.1. In the principal market for the asset or liability, or

2.8.1.2. In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

2.8.2. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

2.8.3. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable and

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

“External valuers are engaged for the valuation of significant assets and liabilities. The selection of external valuers is determined by the management of the Company, taking into consideration the requirements of Ind AS. The selection criteria include market knowledge, reputation, independence, and adherence to professional standards.”

3. ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

3.1. Property, Plant and Equipment

3.1.1. Recognition and Measurement:

Property (Land and Building), plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes is stated in the balance sheet at Fair Market Value less any accumulated depreciation and accumulated impairment losses (if any). Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Profit or loss arising on the disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

3.1.2. Subsequent Measurement:

Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.

Major Inspection/ Repairs/ Overhauling expenses are recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any Unamortized part of the previously recognized expenses of similar nature is derecognized.

3.1.3. Depreciation and Amortization:

Depreciation on Property, Plant & Equipment is provided on Straight Line Method in terms of life span of assets prescribed in Schedule II of the Companies Act, 2013 or as reassessed by the Company based on the technical evaluation.

In case the cost of part of tangible asset is significant to the total cost of the assets and useful life of that part is different from the remaining useful life of the asset, depreciation has been provided on straight line method based on internal assessment and independent technical evaluation carried out by external valuers, which the management believes that the useful lives of the component best represent the period over which it expects to use those components.

Category	Useful life (Years)
Non-Factory Building (RCC Frame Structure)	30/60
Factory Building	30
Plant and machinery	
Other than Continuous Process Plant	8/10/15/40
Computer equipment	3/5
Servers and networks	5
Furniture and Fixtures	5/10
Office equipment	5
Vehicles, Motor cycles, scooters	8
Others	8

Depreciation on additions (disposals) during the year is provided on a pro-rata basis i.e., from (up to) the date on which asset is ready for use (disposed of).

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

4. Disposal of Assets

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

5. Capital Work in Progress

Capital work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and ther expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

6. Leases

7. Determining whether an arrangement contains a lease

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right-of-use (ROU) for the asset or assets, even if that right is not explicitly specified in an arrangement.

Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosures of leases for both lessees and lessors. It introduced a single, on-balance sheet accounting model for lessees.

The Company is lessee mainly in Land & Building (Factory and Offices). It recognised all such arrangements as right-of-use (ROU) asset and lessee as liability. The ROU is considered when company has all the right to drive economic benefits from the use of underlying asset. The right-of-use (ROU) asset is measured by discounting future lease payments to net present value (NPV). All lease payments during reporting period are recognised either as operational lease or financial lease as per Ind AS 116. However low value leases and leases below 12 months are treated as operating lease only.

7.1. Company as lessor

Finance Lease

Leases which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item are classified and accounted for as finance lease. Lease rental receipts are apportioned between the finance income and capital repayment based on the implicit rate of return. Contingent rents are recognized as revenue in the period in which they are earned.

Operating Lease

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease except where scheduled increase in rent compensates the Company with expected inflationary costs.

7.2. Company as lessee

Finance Lease

Finance Leases, which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease Payments under such leases are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are charged directly to the statement of profit and loss. Lease management fees, legal charges and other initial direct costs are capitalized. If there is no reasonable certainty that the Company will obtain the ownership by the end of lease term, capitalized leased assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

Operating Lease

Assets acquired on leases where a significant portion of risk and reward is retained by the lessor are classified as operating leases. Lease rental are charged to statement of profit and loss on a straight-line basis over the lease term, except where scheduled increase in rent compensates the Company with expected inflationary costs.

7.3. Inventories

Inventories are valued at the lower of cost and net realizable value (NRV). Cost is measured by including, unless specifically mentioned below, cost of purchase and other costs incurred in bringing the inventories to their present location and condition. NRV is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. Cost is ascertained on weighted average basis for all inventories except for by products and scrap materials which are valued at net realizable value.

7.4. Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

For the purpose of the statement of cash flows, cash and cash equivalents includes cash on hand, term deposits and other short-term highly liquid investments, net of bank overdrafts as they are considered an integral part of the Company's cash management. Bank overdrafts are shown within short-term borrowings in the balance sheet.

7.5. Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences, unused tax losses etc. Current and deferred tax is recognized in the statement of profit & loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

7.6. Current Tax: -

Current tax liabilities (or assets) for the current and prior periods are measured at the amount expected to be paid to (recovered from) the taxation authorities using the tax rates (and tax laws) that have been enacted or substantively enacted, at the end of the reporting period.

7.6.1. Minimum Alternate Tax (MAT) credit:-

MAT Credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the Minimum Alternative tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of profit and loss and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

7.6.2. Deferred Tax: -

Deferred Tax assets and liabilities is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and unused tax credits.

Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in equity. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

7.7. Revenue Recognition

Revenue is recognized based to the extent it is probable that the economic benefit will flow to the company and revenue can be reliably measured regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment, and excludes taxes & duties collected on behalf of the Government and is reduced for estimated customer returns, rebates and other similar allowances.

Sale of Products: The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and significant risk and reward incidental to sale of products is transferred to the buyer, usually on delivery of the goods. Accruals for sales return, chargeback and other allowances are provided at the point of sale based on the past experience.

Revenue from rendering of services: Revenue from rendering of services is recognized on pro-rata basis over the period of contract and when the performance of agreed contractual task has been completed

Interest Income: For all debt instruments measured either at amortized cost or at fair value through other comprehensive income (FVTOCI), interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

Other Income: Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

In respect of loan agreements, the income is accrued by applying the impact rate in the transaction on declining balance on the amount financed for the period of the agreement.

Dividend income on investments is recognized when the right to receive the same is established.

7.8. Employee Benefits

7.8.1. Short Term Benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period.

7.8.2. Other Long-Term Employee Benefits

The liabilities for earned/privilege leave that are not expected to be settled wholly within twelve months are measured as the present value of the expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit

method. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation. Remeasurement as the result of experience adjustment and changes in actuarial assumptions are recognized in statement of profit and loss.

7.8.3. Post-Employment Benefits

The Company operates the following post-employment schemes:

a) Defined Contribution Plan

- Defined contribution plans such as Provident Fund, Employee State Insurance etc. are charged to the statement of profit and loss as and when incurred and paid to Authority.

b) Defined Benefit Plans

- The liability or asset recognized in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.
- The liability recognized for defined benefit plans is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation.
- Remeasurement of the net defined benefit obligation, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling, are recognized in other comprehensive income. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

7.9. Foreign Currency Transactions

7.9.1. Foreign currency (other than the functional currency) transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.

7.9.2. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognized in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets. When they are regarded as an adjustment to interest costs on those

foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.

7.10. Borrowing Costs

7.10.1. Borrowing Costs consists of interest and other costs that an entity incurs in connection with the borrowings of funds. Borrowing costs also includes foreign exchange difference to the extent regarded as an adjustment to the borrowing costs.

7.10.2. Borrowing costs directly attributable to the acquisition or construction of a qualifying asset are capitalized as a part of the cost of that asset that necessarily takes a substantial period of time to complete and prepare the asset for its intended use or sale.

7.10.3. Transaction costs in respect of long-term borrowing are amortized over the tenure of respective loans using Effective Interest Rate (EIR) method. All other borrowing costs are recognized in the statement of profit and loss in the period in which they are incurred.

7.11. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

7.12. Financial Assets

7.12.1. Recognition and Initial Measurement:

All financial assets are initially recognized when the company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

7.12.2. Classification and Subsequent Measurement: For purposes of subsequent measurement, financial assets are classified in four categories:

- Measured at Amortized Cost;
- Measured at Fair Value through Other Comprehensive Income (FVTOCI);
- Measured at Fair Value through Profit or Loss (FVTPL); and
- Equity Instruments designated at Fair Value through Other Comprehensive Income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

3.12.2.1 Measured at Amortized Cost: A debt instrument is measured at the amortized cost if both the following conditions are met:

1. The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and

2. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the statement of profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade receivables, cash and bank balances, loans and other financial assets of the company.

3.12.2.2 Measured at FVTOCI: A debt instrument is measured at the FVTOCI if both the following conditions are met:

- 1 The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
- 2 The asset's contractual cash flows represent SPPI.
- 3 Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

3.13 Measured at FVTPL: FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss. Equity instruments which are, held for trading are classified as at FVTPL.

3.14 Equity Instruments designated at FVTOCI: For equity instruments, which has not been classified as FVTPL as above, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. In case the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment.

7.12.3. Derecognition:

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

3.12.4. Impairment of Financial Assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The company recognizes impairment loss for trade receivables that do not constitute a financing transaction using expected credit loss model, which involves use of a provision matrix constructed on the basis of historical credit loss experience. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

7.13. Financial Liabilities

7.13.1. Recognition and Initial Measurement:

Financial liabilities are classified, at initial recognition, as at fair value through profit or loss, loans and borrowings, payables or as derivatives, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

7.13.2. Subsequent Measurement:

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on de-recognition is also recognized in profit or loss.

7.13.3. Financial Guarantee Contracts:

Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirement of Ind AS 109 and the amount recognized less cumulative amortization.

7.13.4. Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

7.13.5. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

7.14. Earnings Per Share

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders adjusted for the effects of potential equity shares by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

7.15. Impairment of Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value being higher of value in use and net selling price. Value in use is computed at net present value of cash flow expected over the balance useful lives of the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (Cash Generating Units – CGU).

An impairment loss is recognized as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in earlier accounting period is reversed if there has been an improvement in recoverable amount.

7.16. Provisions, Contingent Liabilities and Contingent Assets

7.16.1. Provisions

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost.

7.16.2. Contingent Liabilities

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognized because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses the existence of contingent liabilities in Other Notes to Financial Statements.

7.16.3. Contingent Assets

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent Assets are not recognized though are disclosed, where an inflow of economic benefits is probable.

7.16.4. Intangible Assets

7.16.4.1. Recognition and Measurement

Intangible assets are stated at cost on initial recognition and subsequently measured at cost less accumulated amortization and accumulated impairment loss, if any.

7.17. Amortization

7.17.1. Software's are amortized over a period of three years.

7.17.2. The amortization period and the amortization method are reviewed at least at the end of each financial year. If the expected useful life of the assets is significantly different from previous estimates, the amortization period is changed accordingly.

7.18. Operating Segment

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker of the Company is responsible for allocating resources and assessing performance of the operating segments and accordingly is identified as the chief operating decision maker. The Company has identified one reportable segment only based on the information reviewed by the CODM.

8. SIGNIFICANT JUDGEMENTS AND KEY SOURCES OF ESTIMATION IN APPLYING ACCOUNTING POLICIES

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances. Information about Significant judgments and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

8.1. Recognition of Deferred Tax Assets: The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgment is required in assessing the impact of any legal or economic limits.

8.2. Classification of Leases: The Company enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset's economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialized nature of the leased asset.

Where the rate implicit in the lease is not readily available, an incremental borrowing rate is applied. This incremental borrowing rate reflects the rate of interest that the lessee would have to pay to borrow over a similar term, with a similar security, the funds necessary to obtain an asset of a similar nature and value to the right of-use asset in a similar economic environment. Determination of the incremental borrowing rate requires estimation.

8.3. Defined Benefit Obligation (DBO): Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, medical cost trends, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.

8.4. Provisions and Contingencies: The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgment by management regarding the probability of exposure to potential loss.

8.5. Impairment of Financial Assets: The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.

8.6. Allowances for Doubtful Debts: The Company makes allowances for doubtful debts through appropriate estimations of irrecoverable amount. The identification of doubtful debts requires use of judgment and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

8.7. Fair value measurement of financial Instruments: When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The input to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED MARCH 31, 2026
[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Malt Land Distilleries Limited
(L11011MH1982PLC351821)
SHOP NO. 79 01ST FLOOR MOKSH, PLAZA SV ROAD BORIVALI WEST MUMBAI,
Borivali West, Mumbai, Borivali West, Maharashtra, India, 400092

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **MALT LAND DISTILLERIES LTD**. The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the **MALT LAND DISTILLERIES LTD** books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2026 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **MALT LAND DISTILLERIES LTD** ("the Company") for the financial year ended on March 31, 2026 according to the provisions of:

- (i)The Companies Act, 2013 (the Act) and rule made thereunder;
- (ii)The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii)The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv)Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings.

(v)The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

- The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 [Not Applicable in the period of Audit]
- The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 2021. [Not Applicable in the period of Audit]
- The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021. [Not Applicable in the period of Audit]
- The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client.
- The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021. [Not Applicable in the period of Audit]
- The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018. [Not Applicable in the period of Audit]

I have also examined compliance with the applicable clauses of the following:

- Secretarial Standards issued by The Institute of Company Secretaries of India.
- The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirement) Regulations, 2015.
- The Reserve Bank of India Act, 1934 and Guidelines applicable on the Company.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

a) There is non-compliance with Section 179(3) and 180(1)(C) of the Companies Act, 2013, as the company borrow money without obtaining prior approval of the Board of Directors as well as shareholder's approval, as required under the provisions of the Act.

b) There is non-compliance of Section 185 of Companies Act 2013 as the company had given loan to relatives of directors of the company without the approval of members in the general meeting.

b) There is Non Compliance of Section 186 of Companies Act 2013 as the company had made investment more than 20% in the equity instrument of associate company without the approval of Board and members and Regulation 30 of SEBI (LODR) Reg. 2015, as no disclosure has been filed by the listed entity for associate company.

c) Registration/Validity Certificate and Online Proficiency Self-Assessment Test (Examination) Clearing Certificate, as prescribed under the Companies Act, 2013 and the applicable rules, in respect of the Independent Directors, Mr. Asutosh Arun Sahu (DIN: 11198966) Mr. Sanjay Tulsidas Bhanushali (DIN: 11197674), were not made available for verification during the course of the audit.

d) The Company has not complied with the provisions of Section 188 of the Companies Act, 2013 with respect to a Related Party Transaction amounting to Rs. 4,743,132.00 as the requisite approval of the Board and Members, was not obtained by passing the requisite resolution.

e) It was observed that Ms. Promila Sharma DIN: 09735554 Director of the Company, held committee memberships and/or chairpersonships in excess of the limits prescribed under Regulation 26(1) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. As per the said Regulation, a director shall not be a member in more than ten committees or act as chairperson of more than five committees. Accordingly, the Company was not in compliance with Regulation 26(1) of the SEBI LODR Regulations during the period under review.

(f) It was observed that CSR provisions were applicable to the Company during the financial year 2025-2026. However, the Company did not incur the requisite CSR expenditure as mandated under the applicable provisions of the Companies Act, 2013. The Company proposes to undertake the CSR expenditure during FY 2026-27, including the CSR obligation for FY 2025-26, to the extent permissible under applicable law.

We further report that:s

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Non-Executive Directors as on March 31, 2026. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Proof of sending notice to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance maintained by the Company.
- On the basis of the Minutes of the Board Meeting, it is apparent that all the decisions are carried through unanimous consensus and there were no dissenting members' views.
- Based on review of compliances mechanism established by the Company and on the basis of certificates issued by officers of the Company, we are of the opinion that the management has adequate systems and processes commensurate with its sizes and operations, to monitor and ensure compliance with applicable laws, rules and regulations and guidelines.
- The compliance by the Company of applicable financial laws, likes direct and indirect tax laws and financial accounts, has not been reviewed in this Audit since the same has been subject to review by statutory financial audit and designated professionals.

As per information and explanation provided to me and based on my verification of the Company's statutory registers, forms and returns filed and other records maintained by the Company as required under the applicable provisions of the Companies Act, 2013 and Rules framed there under and also as per the details available from the Company, its officers, agents and authorized representatives during the process of verification of the contents of Secretarial Audit Report of the company, this certificate is issued pursuant to the information furnished by the management of the Company. We hereby disclaim any liability for any inaccuracies or misstatements provided to us, as the information provided is solely based on representations made by the Company's management. Accordingly, we shall not be held liable for any consequences arising from the incorrect or misleading information provided by the management.
